

Protect Your Health.

Cold and moisture combined have a torporising effect upon the bodily organs, and the digestive and secretory processes are apt to be more tardily performed in winter than in the fall. The same is true, also, of the excretory functions. The bowels are often sluggish, and the pores of the skin throw off but little waste matter at this season. The system, therefore, requires opening up a little, and also purifying and regulating, and the safest, surest and most thorough tonic and alterative that can be used for these purposes is Hostetter's Stomach Bitters. Persons who wish to escape the rheumatic twinges, the dyspeptic agonies, the painful disturbances of the bowels, the bilious attacks, and the nervous visitations, so common at this time of the year, will do well to reinforce their systems with this renowned vegetable stomachic and invigorant. It improves the appetite, strengthens the stomach, cheers the spirits, and renovates the whole physique.

A comic fellow walked into a parlor on his hands, with his feet in the air, at a party in Cynthiana, Ky. It was very funny, until a pistol fell from his pocket and was discharged, wounding him seriously.

A Single Stone

from a running brook slew the giant Goliath, and millions of noble men since that time have died from a single stone in the bladder, which Warner's Safe Kidney and Liver Cure would have dissolved and carried away.

Doctrines are of use only as they are practiced; men may go to perdition with their heads full of truth.

Shrewdness and Ability.

Hop Bitters so freely advertised in all the papers, secular and religious, are having a large sale, and are supplanting all other medicines. There is no denying the virtues of the Hop plant, and the proprietors of these Bitters have shown great shrewdness and ability in compounding a Bitters, whose virtues are so palpable to every one's observation.—*Examiner and Chronicle.*

Almost Discouraged.

Such expressions are very common among those afflicted with a Cough or Cold. They have called on the doctor and he has prescribed. They have used nearly everything which has been recommended, but are no better. Hope abandons them, and they look with distrust upon all medicines. But there is an old family remedy advertised in this paper which possesses true merit. Allen's Lung Balsam will cure your Cold or Cough. Try it, and you will receive new hope and a perfect cure. It is pleasant to take and perfectly harmless. The city druggists all sell it.

There is no disease or affliction more easily cured than the ordinary Fever and Ague of this country, and yet it is one of the most dreaded. The Ague Conqueror, although a vegetable preparation, containing no poison, has never failed to cure any case of Ague within our knowledge, and the chills do not return during that season. Price 50 cents and \$1.00 per bottle. To make a permanent cure of a difficult case, it will require a \$1.00 bottle to cleanse the system and leave the Liver and other organs in a healthy condition, so that the chills will not return.
